*Secretary*

Open  
*Treasurer*

Carolyn Mooney

Nancy Kossak

Sonny Vucenovic

## FROM THE DESK OF THE PRESIDENT

Deborah Fedorko

I hope this letter finds you all healthy and in good spirits. I am very excited to begin this year as your new President of the Board of Directors of Lexington Condo Homes.

I look forward to continuing the great work started by our past president (Laura Keller), and all of the Board members that have served. I would like to extend a special thanks to all of those that participated in our elections. On behalf of the new Board of Directors, we are excited to serve and are looking forward to continuing the efforts to improve our community.

I also encourage all co-owners to attend meetings to see what the Board has in store for our community. Being involved, participating and contributing to our community are important factors in keeping our neighborhood a valuable part of the city.

Our top priority this year is to continue with the beautification projects. You may have noticed the new facelift of the 8 Mile Road entrance island. These beautiful updates will continue, thanks to the hard work of the Landscape Committee. Other projects are also being contemplated at this time and I know that we are all looking forward to seeing the results!

Speaking for the Board and myself, thank you to all of our volunteers who are currently helping improve our facilities. Thank you in advance to new volunteers who will be stepping up also. See you at the Volunteer Workday!

## Upcoming Events

- June 27  
Board Meeting  
@ Clubhouse 6:00pm
  
- June 30  
Volunteer Workday  
@ Clubhouse 9:00am
  
- July 4  
Independence Day

## MEETING TIME CHANGE

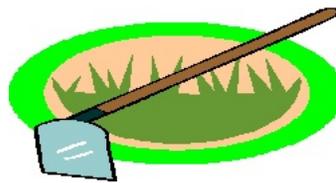

Starting this month, the monthly meeting will begin promptly at **6:00pm** to make it easier for co-owners and Board members that work to come to the meeting.

## ELECTRICITY UPGRADE

All of the flags recently placed around our buildings are because of a project to be completed this summer by DTE. They will be replacing the wiring which goes underground to our buildings. Even though it is an extensive project, co-owners do not have to take any actions nor worry about interruptions to service. These electrical lines are the original ones and they should have been replaced some years ago. We don't have any completion date yet, but will keep you apprised of the progress. Remember that weather will affect the schedule. If there are any problems as the project proceeds, please call Deborah at (734) 846-7524.

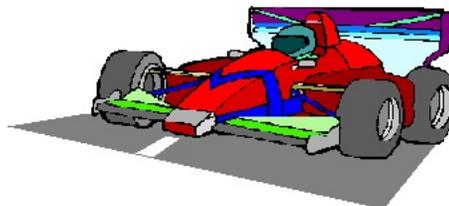

## VOLUNTEER WORKDAY

Exercise your green thumb on Saturday, June 30. Please bring rakes, clippers, hoes, etc. when we meet at the Clubhouse around 9:00 that morning. Our Landscaping Chairperson, Carolyn Stanley will be in charge. Carol, a Michigan native, is a certified Master Gardener. She has a lot of ideas and is especially enthusiastic about organic gardening. At the workday, you will learn of her homemade, non-toxic weed killer, which is far superior to Roundup. Ask her for the recipe!

## SLOW DOWN BUD!

Several co-owners are reporting that Lexington Boulevard is again becoming a racetrack. As you know, we have no sidewalks. There are some blind spots; we have children playing, runners, bicyclists, and dog-walkers. *Please slow down.* If you see a speeder anywhere, please try to get a license number and report it to Northville police. The Association once again is discussing the problem with the city.

*Welcome to our new neighbors*
